

THERE ARE 3.7 MILLION STORIES IN THE NAKED CITY...AND AN AVERAGE OF ONE CRASH A DAY INVOLVING AN L.A. POLICE CRUISER. THE LAPD IS LOOKING AT WAYS TO REDUCE THAT SECOND NUMBER:

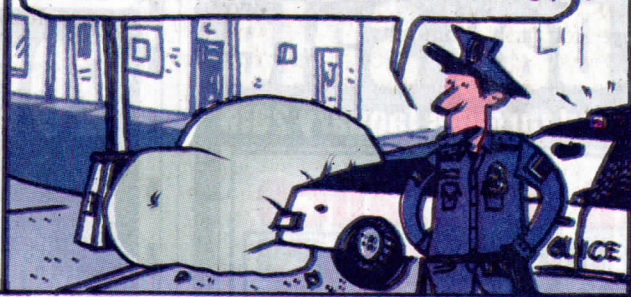

OUTFIT POLICE CARS WITH IGNITION INTERLOCK DEVICES

I'M ONLY OPEN FOR CALLS WITHIN WALKING DISTANCE.

INSTALL GIANT AIRBAGS ALL OVER TOWN, ESPECIALLY AROUND FRUIT CARTS

GOD BLESS THE MIRACLE OF RAPIDLY-INFLATING PLASTIC BAGS!

ADD ALL THE COOL GADGETS THAT THE "MACH-5" HAD ON "SPEED RACER"

NABBED HIM WITH THE GRAPPLING HOOKS!
